Orange County  
Aging Services  
COLLABORATIVE

*Spring 2016 Edition*

Dear Friend,

The members of the Orange County Aging Services Collaborative have created this quarterly e-newsletter to give you more information about the local resources in Orange County.

In case you have not heard of us, the Orange County Aging Services Collaborative is a partnership of non-profit and governmental agencies serving more than 340,000 Orange County seniors each year. Together, we are working to transform the system of care so all Orange County residents can age with dignity, choice, and independence.

For more information about OCASC, visit [our website](#) or contact me directly at [949.757.3775](tel:949.757.3775) or [cynthia@ocagingservicescollaborative.org](mailto:cynthia@ocagingservicescollaborative.org).

Sincerely,
